Xactus is proud to partner with Marsh to offer best-in-class flood certification products for flood zone determinations, elevation certificates, and letters of map amendment.

Our survey teams cover nearly the entire U.S. and commercial pricing is listed in the table to the left while residential pricing is available on our website on a county-by-county basis. To submit a request please visit our website at <https://www.massivecert.com/searchproduct> or call us 844.4EZ.CERT (844.439-2378).

We also process all FEMA LOMA case types and are certified eLOMA Professionals through the National Flood Association (NFA). Our specialists spent decades as FEMA contractors understanding the system from the inside. As a result, we offer an unconditional floodplain removal guarantee, or it's free. To order a LOMA, please visit our website at <https://www.massivecert.com/orderloma>.

**Commercial Elevation Certificate Price Disclaimer: Fees provided are for one structure (under 20,000 square feet). All fees provided are a not-to-exceed fee for a single Elevation Certificate. Structures over 20,000 square feet will be quoted based on the size and complexity of the structure. Additional structures at the same location will be quoted individually. The national pricing is specifically for MARSH clients and the clients of MARSH subsidiaries and affiliates.*
